

We at Daigger - Orr Angus wish you a Happy New Year! We hope all of you had a good 2017 and are looking forward to a prosperous 2018.

This barnsheet has the updated New Year's weight on all of our bulls on test. We thank you for taking time to review it. These bulls are performing at an optimum level. They are developing at a safe rate of gain that shows their potential, but yet still supports their soundness and longevity. If you pull an extended pedigree on any of these bulls, you will be assured to see many generations of quality A.I. sires. In fact, this year the Red Angus bulls are once again 100% A.I.-sired.

This fall we sent three Red Angus bulls to the Midland Bull Test in Montana. One is currently the 3rd highest gainer! We also will be showing and selling five heifers at the Nebraska Cattlemen's Classic in February: three bred heifers and two heifer calves. For more information give us a call.

As always, we keep searching for the next great sires to put in our A.I. tank. We must always keep progressing so that the next generation is better than the last.

Once again, thanks for your interest and past support of our program. The bull sale is April 3rd, 2018. If you'd like to visit about our bulls, or cattle in general, call:

David Orr (308) 520-3015
